SIE Club Vaduz

# 12 rules for perfect Soroptimists

By DR. SUZANNE NOËL

Founding President of the European Federation and Honorary President of Club Paris

Written as a New Year's wish for the year 1924

- They shall form a great club as an impressive whole.
- Let them choose each member fairly and thoughtfully.
- They should cultivate a spirit of unity with the community and with each individual.
- They should always be punctual and reliable at club meetings.
- They should avoid superfluous words and use their time wisely.
- They should welcome all sisters with love, trust and joy.
- They should call on their trustworthy sisters for every assignment.
- They should invite their sisters from far away to get to know and appreciate them better.
- They should make everything easy for them with cordiality and zeal.
- All these efforts will be richly rewarded when they themselves go on a journey.
- In everything they do, they should always think about how they can do good in the best soroptimistic spirit.
- And for the sake of peace on earth, they should joyfully make every sacrifice, no matter how great.
